

# Toddler Art Workshop at Singapore Art Museum

## To The Ends Of The Earth

May - August 2017

Date	Day	Time	Lesson	Lesson Description
13 <sup>th</sup> May	Saturday	10:30-11:30	A Mushroom Landscape	The children will explore textures by using different textured paper and fabrics to create their mushroom picture.
20 <sup>th</sup> May	Saturday	10:30-11:30	Lizards!	The children will be making 2 different lizards, inspired by Hiromi Tango's Lizards' Tail. The first lizard is a fun paper craft 3D lizard, and the other is a mosaic lizard, where the children can personalise their own lizards by using different embellishments.
27 <sup>th</sup> May	Saturday	10:30-11:30	Mosaic Clay Wall Art	The children will be creating a wall art, using natural items such as pine cones, seeds and twigs to make different textured mosaic patterns in the clay. Once dry, the children can continue this art work at home by painting the clay.
30 <sup>th</sup> May	Tuesday	10:30-11:30	Painted Leaf Mobile	We are inspired by the nature aspect of Nandita Mukand and the movement in Mary Bernadette Lee's exhibit. The children will be making their very own mobile that moves in the breeze, using painted leaves, yarn and fabrics.
30 <sup>th</sup> May	Tuesday	15:00-16:00	Painted Leaf Mobile	We are inspired by the nature aspect of Nandita Mukand and the movement in Mary Bernadette Lee's exhibit. The children will be making their very own mobile that moves in the breeze, using painted leaves, yarn and fabrics.
3 <sup>rd</sup> Jun	Saturday	10:30-11:30	'Stained Glass' Fabric Mobile.	The children will get to create their own 'stained glass' art using paint on wax paper. The "stained glass" will form the basis of their mobile, which they will further personalise with other embellishments such as fabric or yarn to give some movement.
6 <sup>th</sup> Jun	Tuesday	10:30-11:30	A Mushroom Landscape	The children will explore textures by using different textured paper and fabrics to create their mushroom picture.
